

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please do not allow this to happen. If the rules change in favor of these media conglomerates, the voices of the disenfranchized, the poor, and the minorities will certainly lose what small voice they possess today.

A country moves forward only through diversity. One strong prevailing opinion never sees the other side and moves on in ignorance towards oblivion.
